### COMPANY PROFILE

AR-Starzhn Industry was founded in 1999 to serve the international market. This initial objective was attained successfully in a short time thus in 2005 the company has undergone a thorough improvement in its physical and nonphysical facilities aimed at serving much large area: Asia. In a couple of years the second objective was also fulfilled satisfactorily, most EUROPEAN countries have been accustomed to regard AR-Starzhn Industry is the best brand for leather Gloves.
